Use of the Hauge Log Church for Special Events

The Hauge Log Church and it's surrounding grounds can be reserved for special events such as weddings, reunions, picnics, or other family occasions. It is not available for commercial uses, parties, or camping. The Perry Hauge Log Church Preservation Association, Inc. maintains sole discretion as to what events are suitable for the Hauge site.

The Hauge Preservation Association asks for a donation of \$75.00 per day to reserve the church building and surrounding grounds. If any tents, shelters, or other structures are to be erected on days preceding the event, or if they will remain on the site any day after conclusion of the event, an additional \$75.00 per day will be charged for each additional day that such structures remain on the site. Donations must be in the hands of the Hauge Preservation Association at least ten days prior to your scheduled event. All donations are tax deductible to the extent allowed by law and are used to support ongoing maintenance and upkeep of the Hauge Church and it's surrounding grounds.

Please keep in mind a few ground rules...

- No fires of any kind are allowed on the property, with the exception of enclosed candles. The Hauge Church is irreplaceable, so if your event absolutely requires the use of candles (such as a wedding) we ask that they be of the enclosed type and that you're sure they're all extinguished and removed from the building when you're done.
- Use common sense when decorating to minimize damage to the 155 year-old building. We suggest nothing larger than thumb tacks be used to attach decorations, and that no permanent adhesives, etc. be used.
- Clean up the church and grounds when your event is completed - we expect you to leave the area as you found it! A \$50.00 surcharge will apply if additional cleanup is required.
- We strongly discourage larger vehicles such as busses or motor homes entering the Hauge grounds! The narrow driveway along with limited space to turn around have led to past problems with such vehicles causing damage to the yard area. We recommend that larger vehicles park at the foot of the driveway along Highway Z.
- Remember that there is no electricity or running water available so plan accordingly.

Should you have any further questions please call the Hauge Preservation Association at (608) 437-4419. We hope you enjoy the time you spend at the Hauge Historic Site and that your event is a truly memorable occasion.

Thank you for your continued support of the Hauge Log Church!
